

Cable Television Communications Plan

RECOMMENDED FY21 BUDGET \$16,705,753

FULL TIME EQUIVALENTS 30.85

₩ GAIL M. ROPER, CHIEF INFORMATION OFFICER/DIRECTOR

MISSION STATEMENT

The Cable Television Communication Plan is a special revenue fund. Revenue is provided by cable franchise agreements and fees from the Transmission Facility Coordinating Group, and funding to passed though for: operation of the Office of Broadband Program's (OBP), Community Engagement, Community Technology, and FiberNet programs; Public Educational Government (PEG) programming by the Office of Public Information (PIO), the County Council, the Maryland-National Capital Park and Planning Commission (M-NCPPC), Montgomery College, Montgomery County Public Schools (MCPS), and Montgomery Community Media; PEG equipment; and municipal franchises administered by the County. The mission of the Cable Television Communications Plan is to provide effective management of the Fund and the County's cable franchise agreements; quality PEG programming; broadband governance, planning, execution, and operation of FiberNet, the County's communications network; and effective management of deployment of wireless facilities throughout Montgomery County. Additional funding for OBP is provided and described in the Department of Technology Services budget.

BUDGET OVERVIEW

The total recommended FY21 Operating Budget for the Office of Broadband Programs is \$16,705,753, an increase of \$333,748 or 2.04 percent from the FY20 Approved Budget of \$16,372,005. Personnel Costs comprise 26.37 percent of the budget for 18 full-time position(s) and no part-time position(s), and a total of 30.85 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 73.63 percent of the FY21 budget.

The FY21 Cable Television Communications Plan includes four elements

- The Office of Broadband Programs, Media PEG operating and equipment, and Municipal transfers (\$16,393,035)
- Transfers to the General Fund for indirect costs (\$879,676)
- Transfers for PEG programming including Montgomery County Public Schools (\$1,799,775) and Montgomery College (\$1,764,321)
- Transfers to County Capital Improvements Programs (CIP) including FiberNet (\$3,750,000) and ultraMontgomery (\$680,000)

The Office of Broadband Programs and the Office of Management and Budget are developing and evaluating strategies to address

projected declines in cable franchise fees.

This Fund's CIP requires Current Revenue funding, using restricted funds from the Cable Television Communications Plan.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families
- Easier Commutes
- A Greener County
- Effective, Sustainable Government
- A Growing Economy

INITIATIVES

- Complete preparation and launch Comcast and Verizon cable franchise renewal negotiations.
- Implement FiberNet3, third generation network design, to enable a ten-fold expansion of bandwidth capacity and support expansion of service capabilities.
- Expand community engagement and content creation, social media outreach including podcasting, cablecasting of fresh content in evening hours on CCM, and live social media coverage of County and State meetings and events in Montgomery County.
- Apply for Federal funding and continue to support public/private partnerships to bring broadband to underserved areas of the County's Agricultural Reserve.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- Improved speed, public input and transparency for small-cell deployments in commercial areas to reasonably manage deployments, facilitate community input, and comply with requirements of Federal and State law to enable provisions of new wireless communications services.
- Eliminated bandwidth chokepoint between Montgomery County Government (MCG) and Montgomery County Public Schools (MCPS) to exponentially increase Internet bandwidth capacity and resiliency of broadband networking services provided to education use by MCPS students and administration.
- * Added critical timing equipment to improve the reliability of public safety radio communications.
- Launched fixed wireless service connections to dramatically improve broadband capacity and reduce broadband costs at remote County facilities.

PROGRAM CONTACTS

Contact Helen Ni of the Department of Technology Services at 240.777.2807 or Alison Dollar of the Office of Management and Budget at 240.777.2769 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY20 estimates reflect funding based on the FY20 Approved Budget. The FY21 and FY22 figures are performance targets based on the FY21 Recommended Budget and funding for comparable service levels in FY22.

PROGRAM DESCRIPTIONS

₭ Media - MCPS-TV

Montgomery County Public Schools Television (MCPS-TV) is a full-service television and multimedia facility that produces TV programs for students, staff, parents, and the general community produced in multiple languages to reach the district's growing multicultural community. MCPS-TV regular programming includes live Board of Education meetings, live webstreaming events from schools, new curriculum training and staff development, live call-in and interactive programs on topical issues, student-produced in class programs, technology training, and televised instruction in a variety of academic content areas.

Note(s): Funding for MCPS-TV and Montgomery College Television is provided as a fund transfer to the MCPS and Montgomery College budgets.

Media - Montgomery College

Montgomery College Television creates videos for Montgomery College educational cable channels, website, and social media. Funds are used for staff, equipment, operating expenses, and training student interns using hands on, real life production techniques and facilities. Videos educate, inform, and support student success (i.e. closing the achievement gap, dual enrollment, retention, completion, transfer and academic excellence.) MCTV produces videos in Spanish, Amharic, Vietnamese, French, and Korean, and provides outreach to targeted underserved populations, engaging first generation college students, non-native English speakers, immigrants, veterans, single parents, and those who are food insecure. Videos explore careers, economic development, and workforce preparedness. Additional funds are provided through the Montgomery College operating budget.

米 Media - PEG Network

The Montgomery County Public, Education, and Government (PEG) Governance Board facilitates collaboration among the local PEG stations to promote meaningful and relevant PEG programming and media services to the Montgomery County community using current and emerging technologies. The PEG Governance Board (PGB) collaboratively works to expand community engagement, Spanish language programming, and access to digital media content featuring County residents, organizations, and institutions. The budget for PEG includes funds for the purchase of equipment, promotion and outreach support to increase channel awareness and viewership, and strategic planning.

Municipal Support

Cable operator franchise fees and PEG support obligations to participating municipalities within Montgomery County are paid by cable operators to the County for administrative efficiency and auditing effectiveness and then redistributed by the County to the City of Rockville, the City of Takoma Park, and the Montgomery County Chapter of the Maryland Municipal League (MML). The County has a contractual obligation to pass through fees owed to municipalities and no discretion to alter these payments. Municipalities may use franchise fees for any purpose. Under the terms of the franchise agreements, participating municipalities must use PEG Access Operating Support funding to support PEG programming operations, and PEG capital support must be used for PEG and institutional network equipment, facilities and related capital expenditures.

Office of Broadband Programs Digital Equity

Digital Equity is necessary for civic and cultural participation, employment, lifelong learning, and access to essential services. OBP Digital Equity works to ensure individuals and communities have the information technology knowledge and confidence needed for full participation in our society, democracy and economy. It supports providing technology training for older adults, and youth media programs to empower young people to engage with the community though digital media. See the DTS budget for additional funding provided by DTS to support digital equity as part of the ultraMontgomery program. This program was formerly part of the County Cable Montgomery program.

Office of Broadband Programs Community Engagement

OBP Community Engagement provides channel management for the County's cable television station (CCM) and its three cable channels, and a Technical Operations Center to support transmission of 13 local PEG channels over three cable systems. CCM program content is created by the County Council, PIO, Maryland-National Capital Park and Planning Commission (M-NCPPC). Community Engagement provides production services to record and transmit programming from the Council Office Building, production support for offsite Council Town Halls and County Executive Forums, closed captioning of programs, dynamic promotion of channel and video programming across multiple media platforms, engineering staff for the Technical Operations Center to monitors the audio and video signals provided to the Comcast, RCN and Verizon cable systems, contract administration, and liaison and support services for other municipal and community media channels PEG Channels in the County. This program was formerly part of the County Cable Montgomery and Public Educational Government (PEG) Operations programs.

* Office of Broadband Programs Community Technology

OBP Community Technology manages use of public rights-of-ways in Montgomery County by cable television providers, negotiates and enforces obligations in cable franchise agreements, provides consumer assistance with cable issues and complaints, and supports County policies addressing compensation for use of public rights-of-way by communications providers. Community Technology manages the Transmission Facility Coordinating Group to provide engineering review of applications to deploy towers and antennas for wireless services in Montgomery County, and coordination for deployment of wireless facilities

among department and agencies.

** Office of Broadband Programs FiberNet (Cable Fund)

FiberNet is the County's critical infrastructure communications network that enables all email, video, Internet access, and Cloud services, and supports County voice telephony, access to County business systems, County e-payments and forms, transport of public safety communications, and broadband and networking for MCPS, Montgomery College, Housing Opportunities Commission, M-NCPPC, and the Washington Suburban Sanitary Commission. This program operates and maintains FiberNet, provides new applications over FiberNet, expands FiberNet infrastructure to new locations, operates a 24 hour/365 days a year Network Operations Center, and is upgrading the third generation of FiberNet (FiberNet3). Investments in FiberNet staffing and operations will help prevent and shorten network outages, avoid degradation in public safety communications, speed ability to add new services (including applications relying on Cloud services, deployment of robust public WiFi, and broadband capacity for education) and provide an operational foundation earn revenue through FiberNet provision of services and infrastructure leasing.

	Notes										

1. These revenues and expenditures are based on the Executive's recommended budget. The projected future expenditures, revenues, transfers, and fund balances may vary based on changes not assumed here to fee or tax rates, usage, inflation, future labor agreements and other factors. 2. Franchise fees and PEG revenues are subject to municipal pass-through payment. Municipal payments are estimates. Actual payments will be calculated based upon actual revenue received, subscriber numbers and fund balances may vary based on changes numbers and the factors.

formulas specified within the Municipal MOUs.

3. Restricted revenue and expenditures: Certain Cable Fund revenues other than franchise fees, and corresponding expenditures (Municipal Franchise Fees/Pass-throughs, PEG Capital/Equipment Grants, and PEG Operating Revenue) are contractually required by franchise, municipal, and settlement agreements, and by the County Code, and may only be used for permissible federal purposes and in a manner consistent with applicable agreements.
 4. Montgomery Community Television, Inc., d/b/a Montgomery Community Media, is designated as a sole source contractor to provide community access media services.
 5. Fund balance per policy guidance is calculated as 5% of total non-restricted revenues (franchise fees, tower fees, and investment income).
 6. The Cable Television Communications Fund provides a fund transfer to Montgomery County Public Schools and Montgomery College and to support MCPS-TV and Montgomery College Television.
 7. Subtotals may be adjusted due to rounding.
