JOHN MCCARTHY, STATE'S ATTORNEY

MISSION STATEMENT

The State's Attorney's Office is a constitutionally created independent agency. The mission of the State's Attorney's Office is to serve the public interest through the fair and honest administration of justice by exercising its responsibilities to: prosecute criminal violations in Montgomery County, educate the public with regard to criminal justice issues, provide training to lawyers for future service, address inequality and promote fairness in the criminal justice system, ensure access to the criminal justice system, promote professional relations with judges and attorneys, and further the efficient use of criminal justice resources.

BUDGET OVERVIEW

The total approved FY22 Operating Budget for the State's Attorney's Office is \$19,280,707, an increase of \$487,948 or 2.60 percent from the FY21 Approved Budget of \$18,792,759. Personnel Costs comprise 95.92 percent of the budget for 148 full-time position(s) and nine part-time position(s), and a total of 153.85 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 4.08 percent of the FY22 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the Executive defers significantly to Legislative and Judicial Branch agencies. Questions regarding the approved budgets for Judicial Branch departments should be directed to Lisa Russo, 240-777-7407.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Safe Neighborhoods

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

State's Attorney's Office Information Technology staff developed and implemented an online Discovery Request Application in SharePoint for attorneys and administrative staff to request discovery material through a secure site. Some of the key benefits include the following:

- Provides the Discovery Unit with a complete and accurate information needed for each request.

- Provides each requester with a complete list of their discovery request.
- Provides a real-time status dashboard of each requestor's discovery request. The application will also provide email notifications to the requestor as well as anyone else who is identified within the request.
- Built in workflow that will allow the application to provide email notifications to upper management when requests are designated as a rush, not assigned, or not completed within a specific timeframe.
- Provide accurate statistics for identifying future resources and staff.
- Allow for future automation to request evidence through the application for such items as 911 dispatch calls, police crime scene photographs, and circuit court transcript request.

This site has increased efficiency and reduced errors while providing discovery in a timely manner. It has been particularly helpful as the office continues remote operation.

- ★ Overcome logistical obstacles in providing Court Support to attorneys in the midst of a global pandemic including creating multiple departmental SharePoint sites to assist attorneys and staff in group collaboration tasks as well as the ability to share all documents and files.

☀ Circuit Court Prosecution

The Circuit Court Prosecution program reviews cases for possible filing in the Circuit Court by presenting these cases to the Grand Jury for indictment or filing a Circuit Court information (charging document). After charges are filed, the State's Attorney's Office litigates these cases to disposition. Senior Assistant State's Attorneys provide support and guidance to ongoing police investigations and conduct Grand Jury investigations of major felony, drug distribution, gang crimes, Internet crimes, and environmental cases. The Family Violence Unit prosecutes crimes of domestic violence, child abuse, and elder abuse. Appeals and demands for jury trials in the District Court cases are litigated in the Circuit Court.

This program relies on volunteers and is supervised by permanent staff. It provides victim/witness assistance by delivering information about the criminal justice system to victims and witnesses whose cases are expected to go to trial. The Pre-Trial Mediation program is designed to resolve non-violent disputes between individuals. Trained volunteers and a mediation specialist work to resolve issues and reduce to writing an agreement by which all sides will abide.

Juvenile Court Prosecution

The Juvenile Court Prosecution program prosecutes criminal violations committed by juvenile offenders in Montgomery County and performs a preliminary review of all cases in which a juvenile is charged with a violent crime. This includes cases which have been reviewed by the Juvenile Services Administration and then referred to the State's Attorney's Office. In such cases, formal charges are filed where appropriate, and litigated to disposition in the Juvenile Court, attempting to obtain restitution for victims when possible. This program also provides administrative support to Teen Court, a Countywide peer adjudication initiative for non-violent juvenile offenses.

Major Fraud and Special Investigations

The Major Fraud and Special Investigations Division investigates allegations of complex financial crimes such as real estate and other business investment fraud schemes for which the Police Department is unable to provide investigative resources. The division also investigates allegations of thefts involving attorneys stealing from clients, financial exploitation of elderly victims, and misconduct by public officials. When these investigations support criminal charges, the cases are charged, generally in the Circuit Court, and litigated to disposition by Senior Assistant State's Attorneys. A significant part of this program is attempting to obtain restitution for victims and businesses that have lost money in these complex cases. Program staff also provides guidance to police officers and investigators from other agencies in situations where financial crimes may be suspected.

victim or the type of crime. Victims receive direct court assistance from a Victim/Witness Coordinator. The coordinator guides the victim through the judicial process, provides assistance where necessary, and makes referrals to other County agencies as needed. In all other cases, Assistant State's Attorneys provide information and assistance to victims and witnesses. This program is staffed with permanent and volunteer personnel.
