

# Board of Elections

## MISSION STATEMENT

The mission of the Board of Elections is to: register voters; conduct elections; assist persons seeking elective office with candidate filings and campaign fund reports; assist citizens seeking to place questions on the ballot; and preserve election data.

## BUDGET OVERVIEW

The total approved FY07 Operating Budget for the Montgomery County Board of Elections is \$7,165,660, an increase of \$3,649,620 or 103.8 percent from the FY06 Approved Budget of \$3,516,040. Personnel Costs comprise 36.0 percent of the budget for 25 full-time positions for 46.6 workyears. Operating Expenses account for the remaining 64.0 percent of the FY07 budget.

## HIGHLIGHTS

- ❖ **Funding is provided to support the State and County Primary and General Elections in FY07.**
- ❖ **Vote casting convenience will be enhanced by the provision of three new Early Voting facilities which will operate approximately one week in advance of the official election day.**
- ❖ **All Maryland counties will launch the new statewide voter registration system that will simplify the voter registration and transfer process, be more user friendly to both voters and staff, and is ultimately expected to improve speed and accuracy of voting statewide.**
- ❖ **In accordance with new State legislation, the Absentee Voting procedure will allow all registered voters the option to cast absentee ballots.**

## PROGRAM DESCRIPTIONS

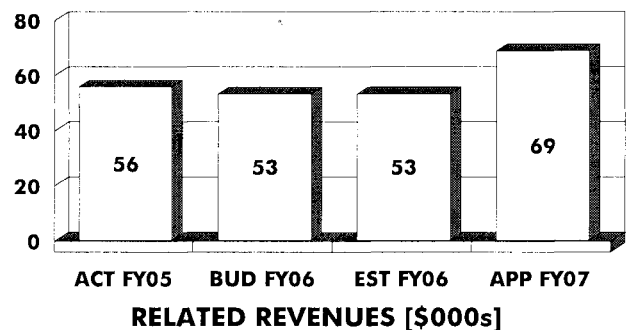

### Voter Registration Services

The Voter Registration Services Program provides clerical and administrative support to register new voters and maintains the currency of information in the official registry. Currently, 517,150 active registered and 27,473 inactive voters are on file and the expected growth rate is 6 percent. In addition, this program processes all changes of name, address, and party affiliation and maintains a delete file, removing voters for

reasons of death, felony conviction, refusal to perform jury duty, moving out of the jurisdiction, and other valid reasons. The program provides legally-required training for volunteer registrars; responds to various voter and candidate requests for voter registration applications, listings, CDs, and labels of registered voters; verifies nominating or referenda petitions submitted; and issues and canvasses absentee and provisional ballots. Implementation of the National Voter Registration Act of 1993, on January 1, 1995, requires all motor vehicle and State social service agencies to solicit voter registration applications and information changes from every client or customer. This Federal law also changed voter registry maintenance procedures to include a second mailing and tracking process and established a new requirement to maintain an inactive voter file which currently contains 27,473 records.

### Election Operations

The Election Operations Program provides administrative, clerical, and technical support for the conduct of local, State, and Federal elections. The Election Operations Program assists individuals seeking elective office with candidate filings; provides information, guidance, and monitoring of required campaign committee filings and financial report submissions; delineates and maintains accurate precinct boundaries; prepares and produces various district and precinct maps; administers the results of redistricting; acquires and maintains required polling places; surveys and monitors compliance of handicapped accessibility at all polling places; obtains and provides all polling place supplies and logistics to properly equip the polling places for voting; and develops training materials, recruits, and trains election judges to staff the polling places.

The workload of the Board of Elections fluctuates according to the four-year election cycle, an example of which is shown below.

- Year One: State and County Primary and General Elections (FY07)
- Year Two: Presidential Primary Elections (FY08)
- Year Three: Presidential General Elections (FY09)
- Year Four: Local and Municipal Elections (FY10)
