PROGRAM DESCRIPTIONS

Councilmember Offices

The nine elected County Councilmembers enact all local laws, oversee zoning and planning, appropriate funding for the budgets of public agencies, establish spending affordability guidelines, set property tax rates, and meet as the County Board of Health. The Council holds regular weekly sessions and conducts public hearings and worksessions throughout the year. Each Councilmember serves on at least two of the following seven Council Committees: Education; Health and Human Services and Cultural Affairs; Homeland Security; Management and Fiscal Policy; Planning, Housing, and Economic Development; Public Safety; and Transportation and Environment. Five Councilmembers are elected by district, and four are elected Countywide.

Councilmembers have small staffs which are responsible for carrying out their work programs. The County Charter provides for a Confidential Aide for each Councilmember. Staff may consist of interns, analysts, legislative service coordinators, legislative senior aides, and other administrative personnel.

Council Staff Operations

Council Staff Operations is responsible for four activities in support of the Council: Legislative Program, Planning, and Budget; Legislative Information Services; Office of the Clerk of the Council; and Administration.

Legislative Program, Planning, and Budget staff perform research and analysis on issues before the Council and prepare written reports and recommendations for all agenda items at Council sessions and Committee meetings. Staff also respond to requests from individual Councilmembers for research, legal advice, and data relevant to their work program. Staff draft legislation and resolutions for Council action; analyze reports, bills, plans, and budgets forwarded to the Council by the County Executive and County agencies; and advise Councilmembers on issues related to the Council work program. Personnel in this unit provide staffing for the Charter Review Commission and other groups created by the Council, and represent the Council at meetings held on issues before the Council.

Legislative Information Services performs the public relations function of the Council. In order to facilitate two-way communication between the Council and County residents, staff prepare informational materials, serve as first-line telephone contact with the public, provide information about the legislative process, update the Council's website, and produce programs for the County's cable channel. Staff inform Councilmembers of the views of citizens through a correspondence control system, telephone tabulation system, and documentation of petitions. Legislative Information Services arranges for and provides notice of public hearings and assembles packets of background material for Councilmembers, the press, and the public.

The Office of the Clerk of the Council prepares and maintains all official records of the Council; attends meetings of the Council and its seven committees; writes minutes; processes resolutions and legislation; prepares Council and Committee agendas; arranges for both regular and special meetings; and tracks sunset, expiration, and deadline dates of legislation and regulations.

Administration performs the Council's personnel, procurement, payroll, and budgetary functions; provides supervision; manages the automation system; monitors inventory and office space; coordinates program issues; and serves as liaison between Councilmembers and program staff. The staff in this unit contribute to the Legislative Program, Planning, and Budget work program. The administrative staff also provide staff orientation, training for the automation and telephone systems, backup support for all programs, volunteer coordination, and receptionist coverage for Councilmember offices.
