DESCRIPTION

Enrollment projections at Stedwick Elementary School reflect a need for a 12-classroom addition. Stedwick Elementary School has a program capacity for 423 students, that includes full-day kindergarten and reduced class-size for kindergarten and Grades 1 and 2. Enrollment is expected to reach 565 students during the 2008-2009 school year. A feasibility study was conducted in FY 2005 to determine the cost and scope of the project.

An FY 2007 appropriation was approved to begin planning this addition. An FY 2008 appropriation will be requested for construction funds. This project is scheduled to be completed by August 2008.

Capacity

Program Capacity After Project: 694
 Teaching Stations Added: 12
