DESCRIPTION

Enrollment projections at Washington Grove Elementary School reflect a need for a 12-classroom addition. Washington Grove Elementary School has a program capacity for 263 students, that includes full-day kindergarten and reduced class-size for Grades 1 and 2. Enrollment is expected to reach 425 students by the end of the six-year planning period. A feasibility study was conducted in FY 2005 to determine the cost and scope of the project.

An FY 2007 appropriation was approved to begin planning this addition. An FY 2008 appropriation will be requested for construction funds. This project is scheduled to be completed by August 2008.

Capacity

Program Capacity After Project: 487
 Teaching Stations Added: 12
