State Aid	225	0	0	225	0	0	0	225	0	0	0

ANNUAL OPERATING BUDGET IMPACT (\$000)

DESCRIPTION

This project provides funding for the realignment/renovation of space in the Sciences and Applied Studies Building (SA), the Humanities and Social Science Building (HS) and the High Technology Instructional Center (HT). A major portion of the funding for this project (over 80%) will be dedicated to renovating the second floor of the SA building which will be vacated with the construction of the Bioscience Education Center. The remaining funds will be used for more modest renovations in select portions of the HS and HT buildings.

JUSTIFICATION

The Sciences and Applied Studies (SAS) Building was constructed in 1978 and no longer adequately supports the educational programs and support functions housed in it. Most of the current building occupants (Biology and Chemistry) on the second floor will relocate to the new Bioscience Education Center when it is completed in FY11. The funds requested will provide for the reassignment, realignment, and renovation of space, including furniture and equipment; energy conservation; and handicapped modification measures.

Plans and Studies

Germantown Campus Facilities Master Plan (1/04) and Collegewide Condition Assessment (8/02).

STATUS

Building renovation planning and design is anticipated to commence in FY10 with the renovation scheduled to begin in FY11.

OTHER

Fund Sources: G.O. Bonds and State Aid.

State share of project based on anticipated eligible costs. Relocation costs and design fees above approximately 7% of estimated construction costs may not be eligible for State reimbursement.

APPROPRIATION AND EXPENDITURE DATA

Date First Appropriation	FY05	(\$000)
Initial Cost Estimate		0
