

Children, Youth, and Family Services

FUNCTION

The mission of Children, Youth, and Family Services is to promote opportunities for children to grow up safe, healthy, ready for school and for families and individuals to be self-sufficient. This mission is realized through the provision of protective, prevention, intervention, and treatment services for children and their families and through education, support and financial assistance for parents, caretakers and individuals. These services work to build on the strengths of both the individual and the community in addressing issues of child development, abuse, neglect, health and economic security.

PROGRAM CONTACTS
