DESCRIPTION

This project provides for the design and construction of a new Fire and Rescue Station in the Neelsville-Germantown area and the purchase of associated fire apparatus. The facility will be located in the southwest quadrant of the intersection of Boland Farm Road and MD 355 in Germantown. The new station will be constructed in accordance with square footage specifications of the prototype Program of Requirements (POR) for a Class I fire station. A Class I fire station ranges from 19,550 to 20,135 gross square feet and includes apparatus bays, dormitory and support space, personnel living quarters, administrative offices, and meeting/training room. This station will include Personal Protective Equipment storage and Urban Search and Rescue storage totaling 2,000 square feet. On-site parking will be provided. Fire/rescue apparatus to be purchased for this station includes an EMS unit and a pumper.

COST CHANGE

Increase due to construction cost escalation and additional site improvements.

JUSTIFICATION

A new station is necessary in this area due to the present and projected population density for the Neelsville, Middlebrook, and Germantown areas, and present and future development of Neelsville, Fox Chapel, and Middlebrook shopping centers.

This project is recommended in the Fire, Rescue, Emergency Medical Services, and Community Risk Reduction Master Plan approved by the County Council in October 2005 and the MCFRS Station Location and Resource Allocation Work Group, Phase I Report, "Need for Upcounty Fire-Rescue Resource Enhancements," October 14, 1999.

FISCAL NOTE

The expenditures shown as "Other" are for the purchase of new apparatus (\$891,000) and furniture and equipment (\$1,024,000). Future replacement apparatus expenditures will be provided from the Operating Budget of the Montgomery County Fire and Rescue Service. Debt service for this project will be financed with Consolidated Fire Tax District Funds.

OTHER DISCLOSURES

- A pedestrian impact analysis has been completed for this project.

APPROPRIATION AND EXPENDITURE DATA

Date First Appropriation	FY01	(\$000)
First Cost Estimate		
Current Scope	FY09	17,062
