### DESCRIPTION

Woodside Urban Park, located at 8800 Georgia Avenue, is a 2.34-acre park at the gateway to downtown Silver Spring. The facility plan removes outdated and deteriorating facilities and renovates the park to provide a cohesive plan with flexible open space, improved pedestrian connectivity and better visibility. The plan includes the following elements: gateway entrance terrace, enhanced streetscape on Georgia Avenue and Spring Street, accessible park entrances, multi-purpose concession and bus shelter, large open lawn area, loop walkways, internal terrace area for picnicking, linear and artful play areas, tennis court, basketball court with timed lights, community garden with water cisterns, rain gardens incorporated with play and educational features, improved site furnishings, lighting, protection and enhancement of existing mature trees, and low maintenance landscaped areas.

### ESTIMATED SCHEDULE

Detailed design in FY15-16 with construction beginning in FY18.

### JUSTIFICATION

The Montgomery County Planning Board approved the park facility plan on October 6, 2011; North and West Silver Spring Master Plan (2000); Silver Spring CBD Sector Plan (2000); Countywide Bikeways Functional Master Plan (2005); 2005 Land Preservation, Parks, and Recreation Plan; Vision 2030: The Parks and Recreation Strategic Plan (2011)

### OTHER

The project will be designed and constructed in coordination with the adjacent renovation of the Montgomery County Health and Human Services Building at 8818 Georgia Avenue.

The schedule for this project is aligned with the County Department of General Services' (DGS) schedule for the Health and Human Services (HHS) Building adjacent to this park. DGS expects to begin a Program of Requirements (POR) for the entire area in FY13 creating the need for design funding for the park portion in FY13. While a POR will be completed in the near future, DGS does not expect to begin detailed until FY17 and construction in Beyond Six Years for the HHS building, hence the Commission will begin construction of the park portion in FY18.

### OTHER DISCLOSURES

- A pedestrian impact analysis has been completed for this project.

### APPROPRIATION AND EXPENDITURE DATA

Date First Appropriation	FY13	(\$000)
First Cost Estimate	FY13	6,459
Current Scope		
Last FY's Cost Estimate		0
Appropriation Request	FY13	0
