## DEPARTMENT PERFORMANCE MEASURES

Performance measures for this department are included below. The FY12 estimates reflect funding based on the FY12 approved budget. The FY13 and FY14 figures are performance targets based on the FY13 approved budget and funding for comparable service levels in FY14.

<sup>1</sup> The County Council rejected OZAH's recommendation on two rezoning cases, G-864 and DPA 11-1. Local Map Amendment G-864 is now on appeal with the Circuit Court and the Council remanded Development Plan Amendment DPA 11-1 back to the Hearing Examiner.

<sup>2</sup> Slight increase in average time a case is heard after filing. Each case must be reviewed/examined by Park and Planning Staff. Reductions in planning staff have added to wait time.

## ACCOMPLISHMENTS AND INITIATIVES

❖ **The Council amended Zoning Ordinance §59-G-2.29, to specify procedures and time-frames to be followed by the Hearing Examiner in processing renewals of major home occupation special exceptions (Zoning Text Amendment No. 09-3). OZAH established procedures to address the Council's directives. Through the research efforts of OZAH staff, it was determined that of the 119 cases on record, only 38 of the home occupation special exceptions were actually active. The Board of Appeals has updated its database to reflect the current correct number of 38 existing, active home occupation special exceptions in the County. Working with DPS, OZAH has begun sending out regular renewal notices in these active cases. OZAH will hold hearings on these cases when required by the ZTA.**

❖ **Productivity Improvements**

- **OZAH requires all applicants and petitioners to submit all case exhibits in electronic format in addition to hard copies. This measure saves money for OZAH. OZAH no longer outsources the job of converting large plans and maps to an electronic format. The Hearing Examiners use the electronic version of exhibits to insert these items into their written reports.**
