
Housing and Community Affairs

MISSION STATEMENT

The mission of the Department of Housing and Community Affairs is to plan and implement activities which prevent and correct problems that contribute to the physical decline of residential and commercial areas; ensure fair and equitable relations between landlords and tenants; increase the supply of affordable housing; and maintain existing housing in a safe and sanitary condition.

BUDGET OVERVIEW

The total approved FY14 Operating Budget for the Department of Housing and Community Affairs is \$39,443,730, an increase of \$9,948,355 or 33.7 percent from the FY13 Approved Budget of \$29,495,375. Personnel Costs comprise 18.7 percent of the budget for 83 full-time positions and two part-time positions, and a total of 73.40 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses and Debt Service account for the remaining 81.3 percent of the FY14 budget.

DHCA expects the total signed agreements for affordable housing projects through the PILOT program to abate \$10.7 million in taxes in FY14.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

LINKAGE TO COUNTY RESULT AREAS

While this program area supports all eight of the County Result Areas, the following are emphasized:

- ❖ ***A Responsive, Accountable County Government***
- ❖ ***Affordable Housing in an Inclusive Community***
- ❖ ***Healthy and Sustainable Neighborhoods***

DEPARTMENT PERFORMANCE MEASURES

Performance measures for this department are included below, with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY13 estimates reflect funding based on the FY13 approved budget. The FY14 and FY15 figures are performance targets based on the FY14 approved budget and funding for comparable service levels in FY15.

ACCOMPLISHMENTS AND INITIATIVES

- ❖ ***Invest over \$38.6 million for Affordable Housing including the Montgomery Housing Initiative (MHI) fund and utilize \$10 million from the Affordable Housing Acquisition and Preservation CIP project. This dedicated funding provides for renovation of distressed housing, the acquisition and preservation of affordable housing units, creation of housing units for special needs residents, services to the "Building Neighborhoods to Call Home" and "Housing First" and creation of mixed-income housing. Within this allocation is \$4.5 million for senior housing and \$1.7 million to reduce the amount of first lien debt for the senior housing project to provide a permanent and deeper rent subsidy to 30% of area median income (AMI). This brings the total investment in affordable housing since FY08 to \$274 million.***
- ❖ ***Continue to use resources from the MHI fund to support rental assistance programs to the Department of Housing and Community Affairs (DHCA), Health and Human Services (DHHS), and the Housing Opportunities Commission (HOC).***
- ❖ ***Continued funding from Federal Grants (Community Development Block Grant (CDBG), the HOME Investment Partnership Grant (HOME), and the Emergency Solutions Grant (ESG)) to provide funding for affordable housing, housing rehabilitation, commercial revitalization, focused neighborhood assistance, public services and preventing homelessness.***

- ❖ **Provide enhancements to the Licensing and Registration section by funding contractual staff to research unlicensed properties. This will include single family residences rented out as apartments, condo units rented, and multi-family apartments.**
- ❖ **Enhance staffing to support changes to the voluntary rent guidelines which includes enhanced notification requirements, rental survey information and mandatory reporting of rent increases.**
- ❖ **Continue to provide housing code enforcement to neighborhoods for improving safety and sanitary living conditions.**
- ❖ **The Department of Housing and Community Affairs and the Department of Permitting Services are finalizing code references such that single visits by the departments can efficiently address multiple cross-department violations eliminating the need for duplicative and unnecessary inspections.**
- ❖ **Continue to administer the State-funded Weatherization Program which provides energy-saving housing renovations for income-eligible county residents.**
- ❖ **Productivity Improvements**
 - **Launch the “codeCASE” web application. Code Enforcement Inspectors access the web application using mobile devices (iPads) in the field. This enables violations to be sent directly to Code Enforcement’s SQL database, in which an automated report can be e-mailed to the property contact. The “codeCASE” web application allows Code Enforcement Inspectors to spend more time in the field conducting inspections.**
 - **Increase data sources to eProperty and expand proximity features to the eProperty Maps systems. This enhancement will allow Code Enforcement staff to research and view additional property-related data sources, and create opportunities for efficiencies since inspectors will have the tools to schedule inspections in proximity to their other cases.**
 - **Complete Phase 1 of the Housing Licensing and Registration System dashboard design to facilitate automated online rental license applications. This enhancement will enable landlords to submit online applications for rental licenses and automate data entry of those applications.**

PROGRAM DESCRIPTIONS

Multi-Family Housing Programs

This program creates and preserves affordable multi-family housing units. Loans are made to the Housing Opportunities Commission, nonprofit organizations, property owners, and for-profit developers. This program provides funding to:

- preserve existing affordable housing units;
- construct and acquire affordable housing units;
- rehabilitate existing rental housing stock;
- participate in housing or mixed-use developments that will include affordable housing;
- acquire land to produce affordable housing;
- provide low income rental housing assistance.

Major funding for these projects is provided from the Montgomery Housing Initiative Fund, the Federal HOME Grant, the Federal Community Development Block Grant, and State grants. The program emphasizes the leveraging of County funds with other public and private funds in undertaking these activities.

¹ These figures represent no-cost rental agreements and are subject to heavy market fluctuations.

² HCA projects few large affordable multi-family projects coming on-line in FY13.

³ The significant decrease from FY12 to FY13 is a result of the expiration of ARRA programs as well as a few large multi-family projects coming on-line in FY13.

⁴ Fluctuations are expected from year to year given that different projects have different funding gaps as well as different programs are more expensive to run than others.

Single-Family Housing Programs

This program creates and preserves affordable single-family housing units. It enforces Chapter 25A of the County Code to ensure that Moderately Priced Dwelling Units (MPDUs) are provided and monitored for resale control. The Code requires that 12.5 percent to 15.0 percent of an approved development of 20 dwelling units or more be MPDUs, depending on the amount of density bonus achieved. The housing units produced are marketed at controlled prices, which makes them affordable to moderate-income households. Additional single-family (SF) housing programs provide funding to replace, rehabilitate and weatherize single-family housing units, and rehabilitate group homes (GH) for the special needs population. In addition, this program is responsible for the newly created Work Force Housing Initiative.

¹ Programs include Single Family Rehab, Group Home Rehab, and Weatherization. Large increases in FY10 and FY11 are attributed to \$5.2 million in economic stimulus funds for the Weatherization Program. The projected decline in FY13 is attributed to the expiration of ARRA funds and reductions in CDBG (grant) funding.

Housing Code Enforcement

This program enforces Chapter 26 of the County Code, Housing Maintenance, by inspecting rental condominiums, multi-family apartments, and single-family housing to ensure safe and sanitary conditions; and Chapter 48, Solid Wastes; and Chapter 58, Weeds, the County's residential weeds and rubbish codes. Approximately 80 percent of the single-family inspections result from tenant and/or neighbor complaints; other inspections are the result of concentrated code enforcement efforts in specific areas. The multi-family inspections are based on a requirement for triennial inspections and in response to tenant and/or neighbor complaints. This program is supported by the collection of single-family and apartment/condominium licensing fees.
