Description

A comprehensive capacity study to address overutilization at several elementary schools in the midsection of the Downcounty Consortium was conducted during the 2012-2013 school year. The following elementary schools were included in the study: Arcola, Brookhaven, Forest Knolls, Georgian Forest, Glen Haven, Glenallan, Harmony Hills, Highland, Kemp Mill, Sargent Shriver, Weller Road and Wheaton Woods. Based on the outcome of the study, additions will be constructed at the following elementary schools: Brookhaven, Glen Haven, Highland, Kemp Mill, and Sargent Shriver. While the planning funds for this project remain on the schedule requested by the Board of Education, due to fiscal constraints, the construction funds were programmed one year later in the approved FY 2015-2020 CIP. The Board of Education's requested FY 2015-2020 Amended CIP reinstated the construction schedule previously requested by the Board. Due to fiscal constraints, the County Council did not approve the Board's request. An FY 2016 appropriation was approved for planning. This project is scheduled to be completed August 2019.
