Description

This project provides for improvements at Northwest Golf Course including modifying the existing golf course, and improving the playability for different levels of golfers.

Location

15711 Layhill Road, Wheaton MD

Justification

The public daily fee golf course must cater to the diverse abilities of many golfers, from low to high handicappers, by providing both appropriate levels of strategy and challenge and an interesting and pleasant setting in which to play the game. The objective of the improvements is to provide maximum playability, enhance visual quality, and allow for the most efficient maintenance of the golf course. The project proposes improvements to the golf course which serve to enhance the existing character and playability, while employing contemporary standards for design, construction, and maintenance.

Coordination

Maryland Department of the Environment, Montgomery County Department of Permitting Services
