Description

The Clarksburg Master Plan, approved in 1994, allows for the potential development of 15,000 housing units. Development of this community resulted in the formation of a new cluster of schools. Elementary school enrollment projections in the Clarksburg Cluster continue to increase dramatically throughout the FY 2011-2016 six-year CIP. This continued growth justifies the need for the opening of another elementary school in the Clarksburg Cluster. The new elementary school is intended to relieve overutilization at Cedar Grove, Clarksburg, and Little Bennett elementary schools. An FY 2011 appropriation was requested for planning funds in the Board of Education's FY 2011-2016 CIP. However, due to fiscal constraints, the County Council, in the adopted FY 2011-2016 CIP, delayed this project one year. An FY 2012 appropriation was approved for planning funds. An FY 2013 appropriation was approved for construction funds. An FY 2014 appropriation was approved to complete this project. An FY 2016 transfer was approved to shift \$1.8 million from this project to the Bethesda-Chevy Chase MS #2 project. The project is now scheduled to be completed by August 2014.
