Description

This project provides for the placement of High School Wellness Centers (HSWC) at public schools. HSWCs provide health, mental health, and social services, as well as family support/youth development services which attempt to address the needs of youth and to build their skills and strengths to be more successful in all sectors of their lives. Services are targeted to meet the specific needs of the school. This project is in accordance with the recommendations of the School Based Wellness Center Planning Group (SBWCPG), the Department of Health and Human Services (DHHS) and Montgomery County Public Schools (MCPS). The selection of the host school is based upon criteria recommended by the SBWCPG. MCPS will oversee the construction of the HSWC sites. The County will occupy the space with DHHS personnel and contractors. The HSWC are similar in design to School Based Health Centers with modifications to accommodate the older student population's needs and services.

Estimated Schedule

Wheaton HSWC is under construction. Seneca Valley HSWC design will be completed in FY16. Construction for Seneca Valley HSWC has been delayed one year to align with the revised MCPS construction schedule; construction is scheduled to begin in FY18 with completion in FY20.

Cost Change

Minor cost increase associated with County staff project oversight. Reflects an FY16 supplemental appropriation of \$345,000 to support actual expenditures for prior project work.

Justification

This project is recommended by the SBWCPG, the DHHS, and MCPS. Each HSWC will provide services to address the physical health, mental health, and social service needs, as well as provide youth development opportunities to the students.

Other

Site specific factors are to be determined, and will be provided during construction.

Fiscal Note

Reflect FY16 transfer of \$65,000 in planning funds from Seneca Valley HSWC to support the completion of the South Lake Linkages to Learning site in the School Based Health and Linkages to Learning Center (P640400) project.

Coordination
