Description

Falls Road Local Park, 12600 Falls Road, Potomac, is a 19.9-acre park located at the intersection of Falls Road and Falls Chapel Way. This park is the site of Hadley's Playground, a very popular play area designed for children of all abilities. Special education centers from throughout the County bring children to this park to enjoy the accessible playground equipment. This project funded the replacement of the rubberized surface that had deteriorated since it was originally installed in 1999. This project also funds the design for expansion of the existing parking lot that is inadequate to accommodate the volume of park patrons. In addition to the very popular Hadley's Playground, park amenities include several playing fields for football, soccer, and baseball games, and a loop trail.

Location

The right-of-way acquisition for a shared use path along Needwood Road from Deer Lake Road to West of Lake Needwood and from the ICC trail termini to Muncaster Mill Road will be completed in FY17. Construction will start in FY17 and be completed in FY18.

Estimated Schedule

Playground surface installed in FY10. Design of expanded parking lot will be completed in FY14. Construction begins FY15.

Justification

The facility plan was approved by the Montgomery County Planning Board in October 2007.

Fiscal Note

FY14 reduced appropriation OF \$937,000 in Program Open Space funding due to lack of availability of these funds.
