Description

This project provides for improvements at Rattlewood Golf Course including updates/enhancements to the irrigation system to address water concerns.

Location

13501 Penn Shop Road, Mount Airy, MD 21771.

Estimated Schedule

Construction is expected to be completed in FY17.

Justification

The public daily fee golf course must cater to the diverse abilities of many golfers, from low to high handicappers, by providing both appropriate levels of strategy and challenge and an interesting and pleasant setting in which to play the game. The project proposes enhancements to the irrigation system to address water constraints. The objective of the improvements is to provide maximum playability, enhance visual quality, and allow for the most efficient maintenance of the golf course.

Coordination

Maryland Department of the Environment, Montgomery County Department of Permitting Services
