currently in leased space.

## LOCATION

27 Courthouse Square

## ESTIMATED SCHEDULE

Design began in Summer 2017. Construction will be completed Summer 2021.

## COST CHANGE

Increase is based on updated project cost estimates.

## PROJECT JUSTIFICATION

Montgomery County Strategic Space Planning Study for the Grey Courthouse was completed in November 2012. The study confirmed that various departments could be relocated from leased space into the facility. The Government Core Facilities Optimization Master Plan Study (funded under Project:500721) analyzed short and long-term growth needs, speed and ease of implementation, cost effectiveness, creation of a suitable government complex, as well as improvement of government services and accessibility. The Government Core Facilities Optimization Master Plan Study noted that additional parking would need to be provided upon occupancy of the Grey Courthouse. This project came about as a part of a comprehensive analysis of maximizing the use of County versus leased space.

## OTHER

Special Capital Projects Legislation will be proposed by the County Executive.

## FISCAL NOTE

This project will be financed with appropriation backed debt funded through lease savings.

## DISCLOSURES

A pedestrian impact analysis will be performed during design or is in progress.
