PROJECT DESCRIPTION

Based on the KFI assessment data, various building systems upgrades/replacements and programmatic requirements are needed for this school. Therefore, the requested FY 2021-2026 CIP includes funding for a Major Capital Project at this school. This project will address aging infrastructure and meet programmatic objectives. An appropriation will be requested in a future CIP for the architectural planning and design for this project. This Major Capital Project is scheduled to be completed September 2027.
