## PROJECT JUSTIFICATION

The COVID-19 pandemic made it necessary to quickly reconfigure housing facilities for homeless residents so that social distancing could occur. As a short-term measure, the County repurposed two recreation centers and rented a vacant office building to provide temporary shelter space while the County quickly made plans to purchase and renovate a building for a new shelter. Due to the expiration of the leased space and a desire to return the recreation centers to their intended community use, it was necessary to focus renovation work on only those work items needed to open the facility. Now that the shelter is open, this Phase 2 project will allow the County to go back now that the shelter has opened and provide other improvements.
