## PROJECT DESCRIPTION

This project reconciles the Maryland National-Capital Park and Planning Commission's CIP request with the County Executive's recommendation based on affordability considerations.

## COST CHANGE

Adjustments shown in this PDF are based on the annual availability of funds within the County Executive's recommended Spending Affordability Guidelines for General Obligation (G.O.) bonds and the Council Approved Spending Affordability Guidelines for M-NCPPC bonds and a desire to postpone decisions on increasing Current Revenue: General uses until the broader operating budget context is clearer. The only current revenue increase recommended at this time is for facility planning for the Long Branch Parks Initiative included in the Facility Planning: Non-Local Parks project in FY24.
