PROJECT DESCRIPTION

Based on the KFI assessment data, various building systems upgrades/replacements and programmatic requirements are needed for this school. Therefore, the requested FY 2021-2026 CIP includes funding for a Major Capital Project at this school. This project will address aging infrastructure and meet programmatic objectives. Due to fiscal constraints, the County Council, in the adopted FY2023-2028 CIP, delayed this project by two years. An FY 2025 appropriation will be requested for the architectural planning and design for this project. This Major Capital Project is scheduled to be completed September 2029. As part of the adopted FY2023-2028 CIP, an additional \$22.926 million from the County Executive's Built To Learn Act PDF was included in this project.

FISCAL NOTE

State Aid projected under the IAC Capital Improvement Program or the Built To Learn Act for school construction program.

DISCLOSURES

MCPS asserts that this project conforms to the requirement of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.
