PROJECT DESCRIPTION

This project provides for renovation or replacement of childcare facilities to ensure compliance with new laws pertaining to the Americans with Disabilities Act (ADA). This project remedies ADA non-compliant features at childcare centers located in County buildings.

ESTIMATED SCHEDULE

Design and construction across multiple projects will take place sequentially through FY30.

PROJECT JUSTIFICATION

This project is designed to bring childcare facilities and playgrounds into compliance with Federal ADA requirements and child care accreditation standards.

FISCAL NOTE

The Department is required to provide notice and information to Council in writing 60 days before construction funding is obligated or spent. The notice must identify each project programmed for construction with the anticipated scope of work, cost estimates, and an expenditure schedule. For administrative and tracking purposes, the appropriation for ADA remediation is separated from other types of child care renovation projects, beginning in FY25. Funding for this project is directly shifted from a legacy project (#601901).

COORDINATION

Department of Health and Human Services, Montgomery County Public Schools, Department of General Services, Maryland National Capital Park and Planning Commission, and childcare center service providers.
