PROJECT DESCRIPTION

This is a land purchase of property located on Maryland 124, and the expense of relocating the current owner. The property is located adjacent to the southeast corner of the Airpark property. The Federal Aviation Administration (FAA) has deemed this purchase necessary to maintain safety standards at Montgomery County Airpark in Gaithersburg. (Parcel 28 - Gold's Gym)

LOCATION

18810 Woodfield Road, Gaithersburg, Maryland

COST CHANGE

This project cost decreased from the projected total last year, as the Revenue Authority did not have to relocate the tenants.

PROJECT JUSTIFICATION

This project is a continuation of the Airport Layout Plan (ALP), which was developed in conjunction with the FAA in 2002. The ALP identifies the projects and plans the sequencing for continued airport improvement. A supplemental environmental assessment for this purchase was completed in 2017. This project includes the purchase of land adjacent to the Airpark which is necessary to maintain Federal safety standards for airport operations. Federal funds for the Airpark are approved by the FAA through the Airport Capital Improvement Plan (ACIP). FAA priorities for funding airport projects include promoting safety and security; preserving existing infrastructure; mitigating noise or environmental impacts; fulfilling compliance, and providing capacity. Federal funding and requirements will dictate the final timeline for the purchase.

COORDINATION

Federal Aviation Administration and Maryland Aviation Administration.
