Nothing in this notice is intended to limit the rights of individual members of the public to testify during the hearing or to submit pertinent written materials at any time while the record remains open for that purpose.

A public review of this application will be scheduled by the Montgomery County Planning Board, after its Technical Staff has reviewed the application. You may provide facts and opinions to Technical Staff during their review, and you may also testify briefly before the Planning Board. The Planning Board will then make a written recommendation to the Hearing Examiner assigned to this case by the Office of Zoning and Administrative Hearings (OZAH), and the Hearing Examiner will conduct the hearing at the date, time and place specified on the first page of this notice.

Following the OZAH hearing, the Hearing Examiner will submit a report and recommendation to the County Council, which will make the final decision on this application at a public Council session. The County Council is required to make its decision in a Local Map Amendment case based solely on the evidence in the record compiled by the Hearing Examiner, and on oral argument at a public Council session, if it elects to permit such argument. Neither the applicant nor a member of the community may communicate directly to individual Council members about a pending rezoning case. The law prohibits such direct, private communication because it would not give other parties a fair opportunity to dispute the information provided or to provide contrary information.

If you need services to participate in the public hearing, please contact us as far in advance as possible by emailing us at ozah@montgomerycountymd.gov or calling 240-777-6660 (TTY 240-777-7914). This document is available in alternative format such as large print upon request, via the same phone numbers and email address.
