**Subject: Request Postponement for CU20-06**

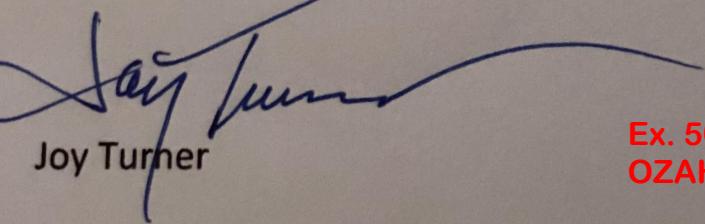

Hearing Examiners Robeson and Baumgartner,

I am contacting the Office of Zoning and Administrative Hearings to request a 45-day postponement of CU-20-06 for the following reasons:

- Allow the community to adequately discuss and provide critical input on the proposed CU Application. As of this communication, there have been limited to no outreach by the applicant (Redly Investment) to meet with the community stakeholders, i.e. Sandy Spring Civic Association, HOA's, and individual homeowners. In fact, I was not aware of the applicant's intended use of this property until I was notified by neighbors.
- It is my understanding there was a great deal of confusion regarding this application due to possible delayed mail delivery and initial misinformation surrounding communications to the community with respect to applicant's case #. Initial communications from OZA staff referenced S-2671 and CU-202008 which are not associated with this application.

As a community, it is our expectation to have a reasonable conversation with the applicant to fully discuss this Conditional Use Application in more detail. Should you wish to contact me, I can be reached at 301-832-8034 or [turner.e.joy@gmail.com](mailto:turner.e.joy@gmail.com)

Respectfully submitted,

Joy Turner
