Dear Ms. Sokoni,

That's well noted. Please find the attached - pictures from various angles of the street indicating the availability of street parking at the property, as well as corresponding notes.

Wishing you a wonderful day,
Tigist

Good Afternoon Tigist,

Thank you for sending photos. For us to include them in the Record please compile them into a single exhibit saved as a pdf document. It would be helpful to also label them with description of what the photos represent although that is something you can address with testimony at the hearing.

Regards,
Khandikile

Dear Nicole,

This is well received. Thank you.

Also, per Mr. Sokono's advice to provide photographic evidence of the availability of street parking at the property, please find the attached pictures.
