Ms. Johnson:

On behalf of the applicant, Todd Margolis, I request a postponement of the November 14 hearing date currently scheduled in the case of Potomac MMA CU202418- 8400 Postoak Road.

When I confirmed this hearing date with you last week, I was under the mistaken understanding that the applicant and Planning staff had been able to resolve the single open issue in connection with this application and have since learned that is not the case. I know that you have already mailed notice of the scheduled hearing, and sincerely apologize that this request creates additional work for your office.

My client and I request this postponement in order to allow us to continue to work with Planning staff, as we hope to address the sole remaining open issue to the satisfaction of staff.

Please let me know what alternative hearing dates are available, and understand that we are looking at dates in early 2025.

Best regards,

Michele Rosenfeld
