

In re: Application of Verizon Wireless and
Maryland Department of Transportation State Highway Administration

Case No. CU 25-05

AFFIDAVIT OF POSTING

I HEREBY CERTIFY that the applicant's agent or representative placed or caused to be placed upon the property which is the subject of Conditional Use Application No. CU 25-05 the signs furnished by the Office of Zoning and Administrative Hearings, that the signs were posted within five (5) days after acceptance of filing for said application within ten feet of the property lines in the most conspicuous locations available, and that the signs have been continuously maintained through the date of the hearing.

I understand that the signs are to be maintained in the same position until after the Hearing Examiner has rendered a decision and the time for filing a request for oral argument with the Board of Appeals has expired. If a request for oral argument is filed with the Board of Appeals, the sign must remain posted until 30 days after the Board issues its resolution of said application. The signs will be returned to the OZAH within five days thereafter.

Douglas Sampson, Attorney for Applicant

Subscribed and sworn to before me, a Notary Public for Baltimore City, Maryland this 10th day of February, 2025.
