

Count 5 – Improper Prohibition of Recording of Meetings – Resolved

Resolution #15, 3/11/11

After discussion and upon motion duly made and seconded, we all agree to inquire of CCOC regarding the background for their position in their Q&A regarding the recording of meetings and also to ask the Complainant to bring his source forward. However, barring any legal prohibition, recordings will be allowed if the announcement is made by the person doing the recording that the meeting is being recorded.

Complainant agreed to withdraw Count 5 without prejudice. The Executive Committee unanimously agreed with this statement.
