**RESPONDENT (0):**

Paul Eisenhaur, Chairman, Leisure World Community Corp. Board of Directors

Tel: (W) 301-460-5588

**BASIS(ES) OF ALLEGED DISCRIMINATION.** The complaint is based on the following:

DIS,RET

**DESCRIPTION: I believe Respondent subjected me to unlawful discrimination based on my physical disability (permanently disabled hand/wrist), in violation of my civil rights under the Americans With Disabilities Act (ADA) and Chapter 27, Article I, Section 27-16, of the Montgomery County Code, as amended.**

I've made several requests, beginning in June 2019, to the Respondent to recognize the 2017 reasonable accommodation to record any/all Leisure World meetings due to the inability to write copius notes because my right hand/wrist being permanently disabled. My doctor has also made this accommodation request on my behalf and provided medical documentation to support my request but the Respondent has refused to acknowledge any request.

I believe that my insistence on this reasonable accommodation has given management reason to retaliate against me by ignoring my rightful demand and treating me in a discriminatory manner.

I solemnly declare or affirm, under penalty of perjury, that the facts contained in this complaint are true to the best of my knowledge, information, and belief.
