RE: Case No. 2385- Petition of Olney Boys and Girls Club

To The Board of Appeals for Montgomery County, MD-

Pleasant Valley Farms, Randy Stadler and family object to the Board of Appeal's decision to modify special exception 2385. We are filing this in conjunction with the land owners that we perform services for in this community area.

This affects the economic viability of the neighboring land.

This kind of request (by OBGC) for fundraising events at an agriculturally zoned property is not conducive of the primarily use of the agricultural zone.

The fundraising events and activities at OBGC do not fall in line with any of the objectives of the agricultural community.

This is why the board should be more diligent about the organizations and the properties that have these special exceptions.

We ask that the Board not allow OBGC to further it's illegal exceptions.
