Re: DEPC Case #20222605-Noise

Dear Olney Boys & Girls Club Inc.,

The Montgomery County Department of Environmental Protection has received a two party noise complaint concerning loud music during quiet hours at 4501 Olney-Laytonsville Rd, Olney. Under the Noise Control Law, Chapter 31B of the Montgomery County Code, quiet hours are from 9:00 p.m. to 9:00 a.m. Mondays to Fridays, and 9:00 p.m. to 9:00 a.m. Saturdays, Sundays, and holidays. As a result, I am issuing Olney Boys & Girls Club Inc. a Notice of Violation.

Olney Boys & Girls Club Inc. is required to come into compliance with the Noise Control Law. In addition, Olney Boys & Girls Club Inc. must submit a Compliance Plan detailing steps that will be taken during the 2023 Field of Screams and Winter City Lights events to reduce the noise level to 55 dBA at the receiving property line during quiet hours.

If there are any questions, or if there are other facts, I should be aware of related to this matter, please contact me at (240) 832-8010 or Gretchen.Ekstrom@MontgomeryCountyMD.gov.

Sincerely,

Gretchen F. Ekstrom
Environmental Health Specialist
