

OBGC Field of Screams

Fire Pit Emergency Action Plan (EAP)

09/19/2024

- Thirty (30) fire pits
- Six (6) fire extinguishers with a rating of 4A80BC strategically placed throughout the fire pit area
 - All extinguishers are inspected annually
- Two (2) full time fire pit monitors that continuously monitor all fire pits
 - Start & maintain the fire pits
 - Extinguish all fire pits with water at the close of the event
- Water hose & fire hydrant are also available on the property
- Minimum of two (2) safety monitors that monitor the areas in and around the fire pits.
 - Ensure safe & proper conduct of patrons around the fire pits
- There is an EMT onsite during all events.
- There are Montgomery County Police onsite during all events.
- Incident plan;
 - Call 911
 - The safety monitors will evacuate everyone to the perimeter of the compound
 - The fire pit monitors will extinguish the flames with the nearby fire extinguishers
 - EMT will attend to anyone needing medical attention
 - Montgomery County Police will assist
