Subject: ADO 26-03, Re: Pending License No. 157919/ADU License for 7709 Old Sheffield Road
Date: Monday, December 15, 2025 4:46:41 PM

Mr. Johnson, I am the Hearing Examiner assigned to the above objection to the pending license for 7709 Old Sheffield Road.

Upon reviewing your preliminary inspection report, I had one question about paragraph 4 of the report: Do the improvements being constructed meet current setback requirements? Or is your report simply citing the setback requirements?

Any information you can provide would be greatly appreciated.

Best,

Lynn Robeson Hannan
Hearing Examiner
