Mr. Friedman, I am the Hearing Examiner assigned to the above case. We have received your entry of appearance.

We have previously advised your client, Ms. Favali, that she must copy all parties on her emails and submissions to OZAH.

Please make sure that all communications regarding the case are copied to all the parties and their attorneys. These include Ms. Carri Bennet and Mr. Kenneth Mack, who both have objected to the application. Mr. Mack is now represented by an attorney, Mr. Evan Goiten. All are copied on this email.

Please also make sure to copy Mr. Jony Guisao-Ospina (email address above), as he is the OZAH staff person assigned to ensuring that all communications get into the record. If there are objections to these exhibits, we will address them at the public hearing.

OZAH does not have the Staff available to continue to forward all of Ms. Favali's communications to the parties in this case.

Thank you for your assistance in this matter.
