All, Ms. Bennet is out of the country. Given that her interests align with Mr. Mack's, I will grant Mr. Goitein's request to extend the time for filing his written closing statement on behalf of Mr. Mack **to Thursday, March 12, 2026.**

I trust service of this order by email is acceptable, given how close we are to the original due date.

Ms. Robeson Hannan,

I need to request additional time to submit our responsive brief. When Mr. Friedman requested an extension, I agreed out of courtesy but without determining how the revised schedule overlapped with my other litigation obligations. Since the date Ms. Favali's brief was submitted, I have had to respond to five dispositive motions and am currently preparing proposed findings of fact and conclusions of law in a case in U.S. District Court, all of which were previously scheduled. My filing there is due on March 6th (Friday). At that point, I will be able to address this matter. Therefore, I am requesting that the time to file our brief be extended to March 12, 2026.

Thank you.

Ms. Robeson Hannan,

My closing brief is due tomorrow. Unfortunately, I have been dealing with a significant family issue for the past week which has prevented me from addressing this matter. I respectfully request that I be given leave to extend this deadline to Monday, February 16. I, of course, freely consent to extending the Objectors' February 25 deadline for as long as they may need. I do not believe that this extension will prejudice the interest of any party to this [hearing.st](#).

I am reluctant to disclose or elaborate on our family situation. However, if you feel that you require more detail, please do not hesitate to telephone me at which time I can disclose it to you in confidence.

Thank you for your consideration of this requ
