Petition

To the Office of Zoning and Administrative Hearings, Montgomery County Government, and our elected officials regarding Holton-Arms School and its plan to increase academic year enrollment, summer camp enrollment, and special event rentals that will exacerbate River Road congestion and neighborhood cut-throughs by school families,

We, the undersigned residents of the neighboring Al Marah/Riverway neighborhood, do hereby petition you to deny the Holton Arms School Special Exception modification case CBA-1174E, thereby securing our right to live in a neighborhood that can continue to be peaceful, diverse, and values the safety and peace of mind of our residents, particularly our large number of school-aged children as evidenced by our numerous MCPS bus stops.
