BRENNE P. Holt

OZATT: I oppose the
Houston Arms proposed
expansion plans.

I walk our neighborhood
often twice a day. I am
concerned for my safety. I
personally, have experienced
~~fast~~ driving, Houston parents,
distracted, passing me as
they drive down Royal Dominion
Drive. I ~~take~~ ^{take} as they zoom across the
street.
Also, as a PRIDE Primary
Day Parent, I personally
have experience trouble parking
in their parking lot on some
BAH →

School days, how they
can possibly have overflow
parking at Primary Day is
a FARCE.

How a solution to
a traffic issue is resolved
by cutting through a closed
neighborhood (our neighborhood
does not connect to anything)
is absurd.

For my safety & my
neighbors, I oppose H.A.
proposal.
