Professor Seyyed H. Nasr  
7717 Zulima Court  
Bethesda, Md 20817

Dear Sir,

My wife and I have lived on Zulima Court since this area was first built in 1984. This is a section of Bethesda designated for private houses. The expansion of Holton Arms will destroy the living ambiance of our whole neighborhood and take away from our rights. We therefore oppose fully this proposal extension and believe that it infringes upon our rights.

Sincerely,
