**[EXTERNAL EMAIL]**

Goodmorning Ms. Robeson Hannan:

At the risk of upsetting the applecart, I am forwarding the email chain from our last hearing on December 19, 2025.

I, Jeff and Rose were not at the house the night of our police incident, but I did try as a landlord to figure out the nature of the criminal activity surrounding my house, and then as a retired professional who not only adopted three children with emotional disturbance (ed) from Montgomery County Social Services (you heard Veronica testify) and then went back for an addictions certificate in my late 50's since most of the population I was serving at Blandensburg High not only were diagnosed with ed but also suffered from addictions. My paradigm has become one of "cherished belonging" to quote one of my many mentors - to help us imagine a village that transcends tribe.

I realize the transcript is coming out soon but hoping/praying that his name might be erased - I wanted to show yesterday that yes as a landlord I am on point in my care, as a citizen who lives on Old Chester Rd I want to incur no criminal activity.

Respectfully, flavia

Good afternoon:

Thanks for your timely response!

i do NOT know the date...the whole story...i have been renting my house for years, one young man, Stephen Chris Igbokwe has been living in my house for YEARS on a monthly lease. From another housemate i heard that he had a "house check or wellness check" AFTER i heard 9 objectors who do NOT want me to build my little adu in my backyard say that i have "criminal activity" in my house and that is evident by over 4 police cars at my house several weeks ago and he leaving in handcuffs. (he came back that night) From another roomer (who has also been there for years) that Steph told his coworker that he was not doing good (this is the holidays and MANY people have trouble) so he told his boss, who called you and you did a house check - which i am SOOO grateful for!!!! - i even made sure he attended my new year's party and celebrated with my sailboat friends.....however you can blot his name out on the report...i just want to show my objectors/neighbors that i do NOT participate nor does ANYONE in my house participate in criminal activity. I am also copying one of the administrative assistants (who is working tirelessly on this case-i want to make sure that Steph is taken care of but i also want to show that there is NO criminal activity in my house....Thanks so much - and I could ask Steph for the date - but i am a member of St. Bartholomew Church and we have a WONDERFUL ministry called "**Stephen Ministry is a one-to-one lay caring ministry to help those who are struggling with isolation**,

**grief, stress, financial strain, and other life challenges.**

which I am working on getting him into.....honestly if you live in my basement for years, i would need a wellness check also....THANKS in advance for your concern and hopefully help
