**Re: LMA H-159 — Submission of Visual Aid Referencing Exhibit 29**

To the Office of Zoning and Administrative Hearings:

I am submitting a short slide deck to be used as a visual aid during my testimony in the above-referenced matter.

The slides consist solely of maps and photographs already admitted into the record as **Exhibit 29(w)(w), Attachments A and C**, shown in their original form with exhibit citations. The purpose of the slides is to visually orient the Hearing Examiner to existing stormwater conditions discussed in my previously submitted letter. No new evidence, analysis, or expert opinion is included.

The slides are intended only to illustrate existing conditions relevant to the zoning request and do not supplement or replace the written record.

Thank you for your consideration.

Respectfully submitted,
