What is Volunteers In Policing? (VIP)

The Montgomery County Police Department offers a volunteer program for civilians known as the Volunteers In Policing.

Volunteers are involved in nearly all aspects of the department's operations from training to patrol work. They work side by side in support of the police officers, command staff, and civilian employees. Their contributions are highly valued and greatly appreciated by the Police Department and the community it serves.

Currently, our active and highly diverse volunteer corps numbers approximately 200 civilians.
