Look Ahead - Week of December 30, 2018 to January 5, 2019

**Happy New Year
From
MCDOT and the Wheaton Project Team**

Executive Summary

The project remains on schedule for a May 2020 completion.

Headliner

SECOND FLOOR CONSTRUCTION UNDERWAY

First Floor

Complete.

First Floor - Completion December 17, 2018

Second Floor

The first of three concrete pours on the second floor was completed last week. The schedule shows completion of the 2nd Floor on January 11, 2019, weather permitting.

Second Floor Framing and Reinforcing - December 20, 2018

Column Construction

Column construction is underway between the 2nd and 3rd floors.

Utility Construction

Pepco relocations are complete with exception of pole removal that will follow removal of the overhead Verizon lines.

Verizon Underground Work

The underground conduit placement along Reddie Drive continues to progress and is expected to wrap-up by the end of the year.

At present construction of the underground duct bank in Triangle Lane is slated **to start on January 7, 2019** weather permitting. This work will be performed **at night** between the hours of 10pm and 7am. A Special Notice to this effect is being hand-delivered and is posted on the WheatonProject.com website. The contractor is in the process of

obtaining a noise ordinance waiver for this work as required by the County's Department of Environmental Protection (DEP). Triangle Lane will be open and fully-operational by 7am each day.

See Chart below for Verizon schedule.

Verizon Underground Conduit Installation

Start Date	Location	Estimated Complete
January 2019 ***	Triangle Lane - Reddie Drive to Lot 13	Scheduled to start on January 7, 2019, weather permitting. All work will be performed at night between the hours of 10pm to 7am.
December 10, 2018	Reddie Drive - Grandview Avenue to Triangle Lane	December 31, 2018

Once the underground conduits are installed, Verizon will pull new communication cables through the conduits and splice into the existing conduits. The circuits are expected to be installed and spliced by mid-to-late February, at which time all overhead Verizon will be removed.

***** The Contractor has rescheduled work along Triangle Lane to commence after the Holiday Season to lessen disruption for residents and businesses alike. Work is now expected to commence on Monday, January 7, 2019, and will be performed at night between the hours of 10pm and 7am. Triangle Lane will be open and fully-operational each day by 7am.**

Town Plaza

Work on the Town Plaza, south of Reddie Drive, has started. The contractor has pursued demolition of existing concrete, installation of silt fence, and is ready to commence rough grading.

The Town Plaza will include an amphitheater, stage, elevated walkways to Georgia Ave and to the WMATA Tower, as well as Art. Future reports will detail construction updates.

All work associated with the Town Plaza is scheduled to be complete by May 2020, at building opening.
