Subject: Meeting with PSC Staff - Solar

Good morning,

It was nice seeing everyone at the Farmside Chat yesterday.

The meeting was informative and we covered a wide range of topics.

One of the items we discussed was setting a meeting up for the group to talk with PSC staff.

I have reached out to the PSC asking for dates they are available for the meeting.
Once I have that I can send it out to the group on this email.
In the meantime, please write down the questions you have for the PSC and send them to me.
I can send them to the PSC in advance of our meeting so they have time to get answers.

Thank you,

Mike
