Hello Pete,

I am following up on the phone conversation I had with Michelle Grace yesterday surrounding the letters that you sent to farmers that lease parkland owned by MNCPPC.

Please see the attached message and copy of one letter that was sent to David Scott, Sr.

Michelle stated that the farmers should discard the instructions in the letter at this time.

I need your assistance because I do not have a complete list of all farmers that lease MNCPPC parkland that you sent the letters to.

Can you please forward to me the list of farmers so I can inform them of the instructions from Michelle.

Thanks J
