RE: Discontinuation of the Use of Products Containing Glyphosate

Dear Mr. Scott,

At the request of the Director of Parks, Montgomery County, I am writing to inform you that effective immediately and until mid-March 2019, the use of any products containing Glyphosate on any park land owned or operated by the Department of Parks is forbidden.

Sometime in mid-March 2019, our office will send out another letter updating you on the status of the use of products that contain Glyphosate on park land.

If you have any questions, please feel free to contact me at (301) 650-2898.

Sincerely,

Peter J. Gilner
