Subject: Tom Huckers tweet today
Date: Monday, March 18, 2019 5:18:26 PM

Sent from my iPhone. This is a copy of A tweet from Tom Hucker's this morning.

“ We should have banned glyphosate and other cancer-causing #pesticides years ago from @MontgomeryParks.

It's crazy that we invest in a first-rate park system, hire outstanding staff to maintain it, invite residents to come use it & then silently expose them to carcinogens.“

This is why the letter went out about farming leased land in parks.
