Montgomery County is working to determine where internet access is unaffordable or not available. Whether you have or do not have internet access at home, we would like you to complete this 5-question survey. Your responses will be used to prioritize investments to expand broadband in the County. Please complete this short survey, tear off the completed postage-paid postcard portion, and drop it in the mail by December ___, 2019.

If you have any questions about this survey, please contact:

Ms. Mitsuko Herrera, ultraMontgomery Director
Policy, Planning, and Special Projects – Office of Broadband Programs
Dept. of Technology Services – Montgomery County, MD
240-777-2928 (office)
